Casino Queen's gaming operation is located in East St. Louis, St. Clair County, Illinois directly across from the Gateway Arch and downtown St. Louis.

ECONOMIC BENEFIT TO THE STATE AND ITS HOST COMMUNITY:

Since opening its doors in June 1993, the Board of Directors, Management and Staff of Casino Queen have kept in mind that the intent of the Riverboat Gambling Act was to promote economic development in depressed areas and foster tourism for the State of Illinois, and its host community, the City of East St. Louis. With this is mind, each capital expansion plan, marketing plan and or program implemented by the Company has been designed to assure adherence to the economic development and tourism requirements of the Act.

Casino Queen recognizes its responsibility as the cornerstone of economic revival in East St. Louis. Beginning with Casino Queen's initial \$42 million dollar investment in its property, Casino Queen has made significant capital investments to its facilities including a \$96 million state-of-the-art gaming facility, a \$15 million 157 room hotel (the first hotel built in East St. Louis in 40 years), a \$4.6 million RV Park, and a \$2.15 million nightclub/sports bar known as Sevens. Casino Queen has invested over \$220 million in capital improvement projects from 1994 through 2013. These capital improvement projects have brought jobs and

economic opportunity to local business demonstrating Casino Queen commitment to revitalize this once economically deprived community.

Casino Queen's commitment to capital improvement projects allows it to maintain a viable gaming operation. Couple with easy access from three bridges, surrounding interstates and light rail public transportation, Casino Queen is a vital entertainment destination for the St. Louis Metropolitan area. Casino Queen's property is uniquely situated to promote tourism because of its close proximity to the Gateway Arch, the St. Louis Zoo, Union Station, Busch Stadium, the Scott Trade Center, the St. Louis Convention Center, the Edward Jones Dome, Gateway International Speedway and the National Shrine of Our Lady of the Snows.

Casino Queen's marketing and sales departments developed numerous programs during the calendar year 2013 which were designed to capture out-of-state revenue for its gaming operation. Such efforts include hotel packages with affiliated metropolitan hotels, various on-site attractions and other sporting events. Both national and regional motor coach programs are in place and continue to produce tourism for the City of East St. Louis and the State of Illinois.

In recognition of the importance of its commitment to enhancing tourism in its host market, Casino Queen Inc. is a member of the Tourism Bureau of Southwestern Illinois. The Bureau promotes entertainment destinations and attractions throughout Southwestern Illinois.
